EDUCATION

University of Denver <i>MA Library and Information Science, GPA 3.87</i> Nominated for Beta Phi Mu (LIS honor society)	Denver, CO 2026
Colorado Christian University <i>MA Clinical Mental Health Counseling, GPA 4.00</i> Honors: High Distinction, Chi Sigma Iota Honor Society Licensed Professional Counselor Candidate in Colorado	Lakewood, CO 2022
Augustine Institute <i>MA Theology, GPA 3.63</i>	Greenwood Village, CO 2019
Georgia Institute of Technology <i>MS Operations Research, GPA 3.76</i>	Atlanta, GA 2009
Rensselaer Polytechnic Institute <i>BS Mathematics and Psychology, GPA 3.93</i> Honors: Summa Cum Laude, Founders Award of Excellence	Troy, NY 2000

PROFESSIONAL EXPERIENCE

Behavioral Health Consultants <i>Practicum and Internship</i> Supervisor: ML Grabill • Accrued 315 hours of clinical experience directly counseling individuals, families, and groups under supervision at a private practice • Diagnosed clients' mental disorders using DSM-5, developed comprehensive treatment plans, and completed detailed progress notes after each session • Provided constructive feedback to colleagues' difficult case reviews in clinical consultation meetings	Colorado Springs, CO Aug 2021 – Dec 2022
U.S. Army <i>Operations Research and Systems Analysis Officer</i> • Developed experimental design used in stochastic simulation to determine the Army's replacement for the OH-58D helicopter • Led the programming portion of a Department of Army level study to determine the optimized proportion of modular-type brigade units Army-wide	Fort Leavenworth, KS Aug 2008 – Oct 2011

U.S. Army

USAG Humphreys, Republic of Korea

Aviation Unit Maintenance Company Commander

May 2006 – May 2008

- Coordinated the maintenance and maximized the operational readiness of 34 helicopters in South Korea while maintaining over \$40 million of mission equipment and \$25 million of real property
- Responsible for the training, readiness, and well-being of over 160 soldiers and civilians as well as their families
- Received the Meritorious Service Medal

U.S. Army

Fort Campbell, KY

CH-47D Flight Platoon Leader

Feb 2004 – Oct 2004

- Responsible for the safety, welfare, and preparedness of over 30 soldiers and 16 warrant officers as well as the operational readiness of eight CH-47D helicopters and associated equipment valued in excess of \$128 million
- Attained Day/Night/NVG Pilot-in-Command rating, serving as Air Mission Commander on various complex NVG training missions while demonstrating tactical and technical expertise

U.S. Army

Fort Campbell, KY

Flight Operations Officer

Aug 2002 – Feb 2004

- Responsible for coordinating all internal company training flights as well as all external mission flights with ground units within a 3,000 annual flight hour program
- Deployed to Iraq (2003-2004) serving as Air Mission Commander on numerous high risk and critical missions supporting the 101st Airborne Division including the initial assault into Iraq, logging over 200 flight hours
- Nominated for the 2003 General Douglas A. MacArthur Leadership Award due to established mission accomplishment and development of subordinates

U.S. Army

Fort Campbell, KY

Petroleum Platoon Leader

Aug 2001 – Aug 2002

- Led platoon with a no-notice worldwide deployment mission of conducting helicopter refueling operations
- Responsible for the health, welfare, and readiness of over 40 soldiers and their families as well as the operational readiness of equipment valued in excess of \$5 million
- Deployed to Afghanistan (2002), running a vital forward refueling and rearming point during Operation Anaconda, and received the Bronze Star Medal

RESEARCH INTERESTS

My research develops valid quantitative and computational methods to measure constructs at the intersection of meaning, cognition, and representation — conceptual fidelity, translation equivalence, semantic alignment, interdisciplinarity. I draw on cognitive science, information science, and philosophy of language, with particular interest in how meaning transforms as it crosses disciplinary and linguistic boundaries. My work spans psycholinguistics, natural language processing, knowledge organization, semiotics, and information retrieval.

PRESENTATIONS

“From Citations to Semantics: A Bibliometric Approach to Distinguishing Between Conceptualizations of Data, Information, and Knowledge,” Morgridge College of Education Student Research Conference, University of Denver, May 2025.

“Cognitive Warrant: A Preliminary Capstone Report,” Morgridge College of Education Student Research Conference, University of Denver, May 2026.

LEADERSHIP & VOLUNTEER EXPERIENCE

Morgridge College of Education Student Research Conference Denver, CO
Planning Committee Member Jan – May 2025

- Proposed the selected theme of the 2025 conference
- Assisted in the development of the Call for Proposals
- Led marketing team to encourage student and faculty awareness and participation

Library and Information Science Student and Alumni Association Denver, CO
Technology Chair Jan 2025 – Jan 2026

- Implemented Qualtrics surveys for two town hall events and identified students’ salient concerns
- Consulted with faculty about their teaching-related technology needs
- Coordinated with Information Technology staff to facilitate successful events

Society of American Archivists (SAA) Student Chapter Denver, CO
Communications Officer Jan 2025 – Jan 2026

- Overhauled the chapter website and social media
- Managed communication with university facilities, event services, and other organizations
- Promoted advertising of chapter events

Circles of Support and Accountability Colorado Springs, CO
Mentor Sep 2015 – December 2024

- Supported ex-convicts as they reenter society after their release from incarceration
- Established pro-social strategies to address everyday problems as well as goals of assimilation
- Challenged the behaviors and attitudes that may be associated with his or her offending pattern

Colorado Palliative & Hospice Care Colorado Springs, CO
Volunteer November 2022 – September 2023

- Accrued 96 hours visiting hospice patients, providing companionship and spiritual assistance
- Advocated successfully to improve the nursing care for a patient in a hospice facility

Knights of Columbus Colorado Springs, CO
4th Degree Knight 2014 - Present

- Served in several leadership positions, including a three-year term as Council Financial Secretary
- Handled the council’s financial recordings and membership records
- Honored as our 2016 Council Knight of the Year

St. Francis of Assisi Parish

Colorado Springs, CO

- President of the Colorado Springs diocese-wide Serra Club (2016-2018)
- Communion Minister to the sick and homebound (2017-2018)
- Led catechesis for a class of 7th graders in faith formation (2018-2019)

2014 - Present

PROFESSIONAL MEMBERSHIPS

American Library Association (ALA)

American Statistical Association (ASA)

Association for Computational Linguistics (ACL)

Association for Information Science and Technology (ASIS&T)

Association of College and Research Libraries (ACRL)

Cognitive Science Society

Colorado Association of Libraries

International Society for Scientometrics and Informetrics (ISSI)

Reference and User Services Association (RUSA)

SKILLS

Programming & Software: Python (pandas, NLTK, Seaborn, NetworkX, transformers), R (tidyverse, bibliometrix, topicmodels, lme4, simr), SQL, HTML, XML, LaTeX, VOSviewer, PsychoPy/Pavlovio

Research Methods: Bibliometrics and citation network analysis, metadata schema design and implementation, construct operationalization and measurement, mixed-effects modeling, graph-theoretic analysis of knowledge organization systems, data mining, statistical analysis, open science practices

Domain Expertise: Knowledge organization systems, information retrieval, cognitive science applications to information science, operations research

Languages: English (native), Italian (novice mid), German (novice low)

ELECTIVE COURSES TAKEN

Scholarly Communication

Psychometric Theory

AI in the Information Age

Cognitive Neuroscience Seminar

Metadata Architectures

Data Visualization

Scripting for Large Databases

Correlation and Regression

Hierarchical Linear Modeling

Data Curation
